

Manage your wealth online!

TraderPRO is Loyal Bank's online securities trading platform. It is designed for investors managing their own or others investment portfolio. It is a single one-point access to all major money-, securities and derivatives markets globally.

TraderPRO offers the best available technology to trade the global financial markets online. The platform is ideal for both private investors and asset managers. Trader PRO supports investors with any investment style, be a conservative investor holding a few simple treasuries and bonds, or be a sophisticated investor actively trading with equities and derivatives.

Global markets always offer some excellent short or long term opportunities. Trader PRO offers easy access to more than 30,000 investment products globally and enables Loyal Bank customers to exploit these opportunities. The wide selection of assets, products and researches available supports asset protection, diversification, hedging just as speculation.
